A brief description of the duties of each elected official is listed. For additional information, refer to the Wood County Annual Report that is available on the Wood County website, www.woodcountyohio.gov.

Auditor • Matthew Oestreich

The Auditor serves as the county's chief fiscal officer and appraiser. He is responsible for financial reports, the county's payroll and the review and payment of all county bills. Distribution to all subdivisions of real estate tax and local government funds are other responsibilities of the Auditor. He is the sealer of weights and measures for the county, serves as secretary of the Budget Commission, Board of Revision and the Data Processing Board, and administers the county's GIS department.

Board of County Commissioners • Craig LaHote, Dr. Theodore H. Bowlus, and Doris I. Herringshaw, Ed.D.

Clerk of Courts • Douglas Cubberley, CCE

The Clerk of Courts is responsible for filing, docketing, indexing and preserving all court pleadings and orders for civil, felony criminal, domestic relations and a few other miscellaneous cases. The Clerk also issues all forms directing service such as: Summons, Warrants to Arrest, Order of Sales, and Notice to Serve to name a few.

In addition, the Clerk is responsible for processing and holding the proof of ownership for motor and watercraft vehicles. The office also is responsible for collecting all title fees and sales tax at the point of sale for each vehicle titled.

The Wood County Clerk of Courts also serves as the Clerk for the Sixth District Court of Appeals.

Coroner • Douglas W. Hess, M.D.

The Coroner evaluates and rules on all violent, accidental and suspicious circumstance deaths including homicides, suicides and sudden deaths of persons in apparent good health. The Coroner generally does not investigate deaths that occur from natural causes, when the person has a family physician. The Coroner is a Ohio licensed physician in good standing who carries out and directs the investigation of deaths in the county. The investigation may involve the scene, as well as labs, x-rays and autopsies as needed. The Coroner is authorized to perform his duties under Chapter 313 of the Ohio Revised Code.

Wood County Elected Officials

Court of Common Pleas • Court 1 – Matthew Reger, Court 2 – Mary “Molly” Mack, Court 4 – Joel Kuhlman

The Court of Common Pleas, General Division, adjudicates felony criminal cases; all civil actions including those arising out of automobile accidents, product liability claims, real estate matters, contract disputes; administrative appeals, such as those in the areas of workers' compensation, unemployment compensation; and appeals from certain local governments. The Court also adjudicates divorces, dissolutions, child and spousal support enforcement and modification, and the allocation of parental rights and

responsibilities. The Judges supervise the Grand Jury, which determines if, based upon the evidence presented by the Prosecuting Attorney, probable cause exists to charge an accused with a felony criminal offense. If the Grand Jury so finds, they return an indictment, advising the accused of the nature of the charges. The matter then goes before the Court for further proceedings. The Judges appoint members to the Veterans Service Commission, Public Defender Commission, Wood County Law Library Resources Board and the Wood County Public Library Board.

Engineer • John Musteric

The Engineer has the responsibility of maintaining the county's 245 miles of road, 339 bridges, 2,500 culverts and traffic control signs. Under the ditch maintenance program, the Office is responsible for cleaning and debrushing more than 740 miles of open streams and ditches, which is just part of the more than 3,000 miles of open watercourses in the county. The Office also provides cost estimations for road repair projects; assists with grant applications and right-of-way location surveys; investigates drainage problems; and maintains tax map records of daily land transactions such as annexations and parcel splits. The Engineer oversees staff at the County Office Building and at the Highway Garage and also serves as engineer for each of the 19 townships. He is authorized to perform his duties under Chapter 315 of the Ohio Revised Code.

Probate/Juvenile Court • David Woessner

Cases heard in Probate Court involve decedent's estates, guardianships, conservatorships, trust related actions, civil actions, adoptions, mental illness, minor settlements, and wrongful deaths. In addition, the Probate Court provides registration services for births, name changes, miscellaneous filings and marriage license applications. The Probate Court Judge also makes a number of appointments to Boards and agencies as allowed by law and performs his duties under Chapter 2101 of the Ohio Revised Code.

The Juvenile Court hears cases concerning traffic offenses, delinquency, unruliness, neglect, abuse, dependency and custody involving individuals under the age of 18, as well as paternity cases for adults and children. The Court may also hear misdemeanor cases involving adults charged with victimizing children. The Juvenile Detention Center is also administered through the Juvenile Court. The Juvenile Court's jurisdiction is outlined in, but not limited to, Section 2151.23 of the Ohio Revised Code.

The Juvenile Division prosecutes all cases involving juvenile offenders, whether felony or misdemeanor. Further, the Juvenile Division, in cooperation with the Department of Job and Family Services, prosecutes adults for acts of abuse, neglect or dependency against children (also known as "status" offenses). The Civil Division represented the county, townships and schools in proceedings before state and local administrative agencies, and state and federal courts.

Wood County Elected Officials

The Recorder's Office is responsible for making a complete, accurate, and permanent record of every document pertaining to the conveyance and encumbrance of land within the county. The office takes great care to ensure that every document received is accurately filed, recorded, indexed and retained in an archival form. As the repository of records for all property transactions in the county, the Recorder's Office safeguards every property owner's title. Though real estate documents constitute the majority of filings in the office, financing statements on personal property, military discharge papers and a listing of veteran's graves in the county are also filed in the Recorder's Office.

Sheriff • Mark Wasylshyn

As the county's chief law enforcement officer, the Sheriff provides law enforcement, correctional services and civil services to residents. The Sheriff polices and serves all areas in the county and provides contract police services. The Office of the Sheriff is unique among law enforcement organizations. The largest source of revenue is generated through real property taxes. More than 18 area financial offices serve the county as real estate tax payment sites. Qualifying taxpayers may utilize an available escrow program or delinquent tax repayment program. The Treasurer's Office also collects taxes on mobile homes and inheritance. The Treasurer serves on the Budget Commission, Board of Revision and Data Processing Board in addition to her duties as Investing Authority for the Investment Advisory Board and is authorized to perform her duties under Section 321 and 323 of the Ohio Revised Code.

A Brief History of Wood County

Wood County was organized on February 12, 1820, when the Legislature carved 14 counties from the lands purchased from the Indians as a result of the Lower Maumee Treaty of September 29, 1817. Lucas County was then a part of Wood County. By law, Maumee was named as the temporary county seat. The Act further provided that the unorganized counties of Hancock, Henry, Putnam, Paulding, and Williams should be attached to Wood County for civil purposes until further provisions were made by law.

Wood County was named for Colonel Eleazer D. Wood, a graduate of West Point, a gallant soldier and the engineer who planned Fort Meigs.

The selection of county officers took place on April 1, 1820. In May 1822, the Commissioners designated Perrysburg as the first County Seat. It remained so until 1868 when the County Seat was moved to Bowling Green.

The County lines were the same as now, except that the northern boundary extended to Michigan. In 1835, Wood County was dismembered when Lucas County was formed and the Maumee River became its northern boundary.

Out of the Great Black Swamp of yesterday has emerged a well-drained, rich, fertile, and productive county.
